Dear Mr. Fink,

I have just received the I.E.E.E. revised bylaws and under section 7.7. page 38, I see that a mistake is still being made in the description of our Section. This should read:

UNITED KINGDOM AND REPUBLIC OF IRELAND

The Channel Islands.

The Isle of Man.

Republic of Ireland

United Kingdom of Great Britain & Northern Ireland.

I understand that Dr. Williams has raised this matter several times and apart from it being incorrect, our Irish friends do tend to be a little sensitive on the subject.

Yours sincerely,

R.C. WINTON

Dear Sir,

Following the adoption by the IRE Board and by the IEE Council of the principles of cooperation and in the spirit of that agreement, attached is a formal petition for the formation of a U. K. Section of the IRE. It is assumed that when the IEEE is established as a result of the merger between the IRE and AIEE the same principles of consultation and cooperation will apply to the new body.

The petition has been signed on the front page by the nine members of the IRE Advisory Committee in the U. K. so far appointed and on the back by three other prominent and active IRE members.

It is likely that some modifications will be required in the application of the Rules for Sections, as set out in the Blue Book, to meet the circumstances existing in the U. K. and it is noted with satisfaction that the Rules provide for such modifications.

The members of the IRE Advisory Committee in the U. K. wish to record their appreciation of the efforts of Messrs. R. L. McFarlan and C. G. Mayer in making possible the inclusion of the U. K. Section as a Founder Member of the IRE European Region.

Yours truly,

Dear Miss Sirjane,

A few days ago I received cabled confirmation of the approval of the IEEE Board to a change of title of our Section from 'United Kingdom Section' to 'United Kingdom and Eire Section'. Doubtless this will, in due course, result in an official announcement in the Proceedings and it is in this connection that I am writing.

The area now encompassed by the Section may be simply described as the British Isles but to use this as a title for the Section might be politically unacceptable to Eire which is an independent Republic with its own membership of the United Nations.

It was for this reason that the new title is 'U.K. and Eire Section' and I would suggest that its coverage be described by listing its four constitutionally separate parts which are:-

United Kingdom of Great Britain and Northern Ireland ✓

Eire (Republic of Ireland)

Isle of Man ✓

Jersey and the Channel Islands ✓

With my best regards,

Yours sincerely,

*Robert Williams*

I am informed that change in name was authorized for the U.K. Section to read United Kingdom and Eire Section.

Have you checked the territory he spells out to see if it agrees with the territory previously approved for the U.K. Section so we can advise Williams accordingly?

Dear Simon,

I am the acting Chair. Last year Brian Harrington was Chair of the PC Chapter and I was the Chair of the EM Chapter. We have been looking for a new Chair for some time without success. The main problem with the EMS, especially, is the very rate of mobility of our members which makes it difficult to find officers.

Subject Fw: [Fwd: RE: IEEE UKRI CEBT Joint Chapter]

Hello Sean -

All approvals have been received for the requested chapter change. The name of the chapter will now read:

IEEE UKRI Section Consumer Electronics/Broadcast Technology Joint Societies Chapter

As you may be aware, IEEE is launching a new Business Management System (BMS) which is set to launch in August. Please note the following information, as it relates to this chapter:

IEEE began data migration on 30 June and is moving ahead on schedule. Due to this system upgrade, the following IEEE Rosters will not be updated during the month of August:

- \*Part I - IEEE Corporate Organization Roster
- \*Part II - Technical Activities Roster
- \*Part III - Geographic Roster
- \*IEEE Educational Activities Councils and Committees Roster
- \*IEEE-USA Committees and Boards

During the migration period, postal and email address changes, and other changes to contact information, will be accepted from the Web applications and processed by IEEE staff, but will not be visible in the roster until late August. Officer Reporting and any new geographic unit formations after 30 June will continue to be accepted, but also will not be reflected in the roster until late August.

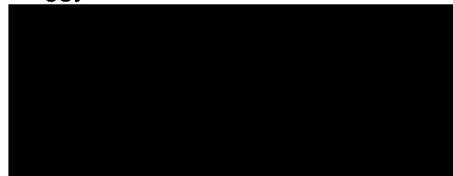

IEEE will offer online training for the updated SAMIEEE application (Analytics) beginning in late August. Please watch for additional information about these sessions.

Please feel free to contact me if you have any questions. Good luck with your expanded chapter's activities.

Thank you,  
Peggy

To: **Prof. Gerard-Andre Capolino**  
IEEE IES VP for Membership

Dear Prof. Capolino,

Through this letter of petition, I am kindly asking the IEEE Industrial Electronics Society to consider forming a new Chapter for United Kingdom and Republic of Ireland (UKRI).

Before preparing this letter, I have written to the IES members based in this geographical area and asked them for their vote for this application. Most have participated at the ISIE'2008 conference where we gathered most of the signatures. Other signatures have been send by post and confirmed by email. The following members have voted positively by Email and below we provide the necessary 12 names and membership numbers, with signatures on the attached pages, for the formation of the UKRI Chapter:

Name of member	Membership number	Signature enclosed
Prof. Jon CLARE	01242791	V
Prof. Marcian CIRSTEA	40281688	V
Dr. Andrei DINU	80148427	V
Drazen DUJIC	41608219	V
Dr. Manus HENRY	80157944	V
Dr. Christian KLUMPNER	41291273	V
Prof. Emil LEVI	00300541	V
Dr. Cuauhtemoc RODRIGUEZ	40192328	V

Dr. Adrian SZABO	40359816	V
Prof. Greg ASHER	40306277	V
Prof. Pat WHEELER	41335414	V

We hope that once the Chapter will start running and organising events, more people will become active and will be involved in the events. So, we are kindly asking you to consider our proposal. The three Chapter positions are proposed and agreed for now to be taken as:

→ *Prof. Marcian Cirstea, Anglia Ruskin University - Chairman*  
*Dr. Bucur Novac, Loughborough University - Vice-Chairman*  
*Dr. Andrei Dinu, Goodrich Corporation - Secretary*

I look forward to hearing from you.

Cambridge, 21<sup>st</sup> August 2008

Kind regards,  
Professor Marcian Cirstea
