Dear Director,

We have learned, by the kind letter of Mr. Robert K. Asdal, Manager Field Services, that our petition for organization of IEEE Korea Section was approved on Feb. 26, 1976, for which we address you our whole hearted gratitude.

Mr. Asdal suggested us to submit you our Section Bylaws for your approval. Please find a copy enclosed of our Section Bylaws. It was prepared in June, 1975, originally by our Draft Committee and approved at the preliminary Section Meeting in July, 1975. In accordance with the sample of the IEEE Section Bylaws sent by Mr. Asdal on Feb. 27, 1976, the original Section Bylaws were modified by our Action Committee. However, it may be still not totally in concordance with the IEEE Bylaws. Therefore, we are expecting you to give us many suggestions for further modification, if necessary.

I also would like to ask you the recent list of name and address of the IEEE members residing in our Section territory, if available.

We are looking forward your further advice for our Section operation.

Sincerely yours,

Chung H. LEE

N.Y. 10017, USA.

Dear Mr. Stewart,

I have the honor of sending you the list of petition signatures to solicit the formation of Korean chapter of the IEEE.

We had already obtained the written permission of the regional director Dr. Shinkawa, Tokyo Japan, and former director of the Region 10 Dr. T.V. Balan ( through the letters addressed to Dr. S. Ann ) diminishing the number of petitioners under fifty.

We have organized an action committee (Chairman Prof. Chung H. LEE, Seoul Nat. Univ. Dept. of Electronics Eng. ; Vice-chairman Prof. Song B. Park, Korea Advanced Inst. of Sci. ; Secretary Dr. S. Ann, Seoul Nat. Univ. Dept. of Electronics Eng. ) to draft the " Bylaws of the IEEE Korea Section " and promote sectional activities.

As it seems to take another six months to increase the number of signatures by even three or four, for the time being, we send this list as such.

Please give us the necessary green signal. We are sure that the formation of the chapter will drastically increase active members.

Sincerely Yours,

Subject RE: Re: Request of Status change of ED/SSC Seoul Chapter to  
SSC Seoul Chapter

Dear Mr. Joseph Hale ;

My name is Kwang S. Yoon, Chairman, Joint ED/SSC Chapter of Seoul Section.  
As you may recognize this situation from the previous e-mail of Bill, EDS Executive Officer, ED/SSC Seoul chapter is trying to change status from ED/SSC joint chapter to SSC chapter. Prof. Kwack, (Hanyang Univ.) Seoul Section Chairman approved endorsement of joint chapter's request.  
Bill made an advice to talk to your department (IEEE Membership and Geographical Activities Dept. ) in order to obtain the necessary and legitimate approvals.  
Would you kindly let us know what paper work should be done to make this status change be complete.  
I appreciate your cooperations in advance.  
Best regards,  
Kwang Yoon

Good to hear from you.

Glad to know you and Prof. Shin have reached an agreement to have one Seoul chapter for ED and one for SSC. To change the status of the current ED/SSC chapter, the Section Chair needs to send an e-mail to the IEEE Membership and Geographical Activities Dept. with all the details of the split and they will coordinate to obtain the necessary approvals. Dear Dr. Rob Reilly,

I thank you very much for your message and kind offer concerning the formation of IEEE Education Society's Seoul Section, and please take my apologies to late response.

essently due to some heavy business commitment from my university as well as other business activities, unfortunately I am not ready to be charged and to take a possible chair position to form the corresponding section in Korea.

However, if you don't mind it, please let me allow recommending you two gentlemen of our best Korean professors in this field as below.

Kee-Joe, Lim, Prof.  (as Chair of Seoul Section) and  
Soo Gil, Park, Prof.  / as Secretary of Seoul Section)

Secondly, of course I am willing to support you as well as Dr. Lim and Dr. Park and also to join these activities by myself.

Thank you again in anticipation of your support, and your further understanding and kind cooperation will be highly appreciated.

Hoping to fulfill your wishes, and we look forward to seeing you once in Korea

Sincerely yours, and with my best regards

Kyu-Bock Cho, Prof. **IEEE# 41480950**

Dear Dr. Rob Reilly

Thank you very much for your E-mail.

I was retired from Seoul National University in 2004. I am working in Accreditation Board for Engineering Education of Korea as Executive Adviser.

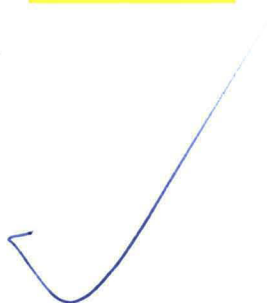

In Kotea it is a little difficult for retired person to have a leadership role.

So I do not want to be Interim Chair.

However I would like very much to establish IEEE-Seoul Section.  
So I support the formation of a Chapter of IEEE Education Society in the IEEE-Seoul Section.

Sincerely,

Song-yop Hahn, SM IEEE IEEE #7544356
