## Bylaws Amendment

Due to the geographic separation of areas within the Montana Section IEEE, and in an effort to better serve the members at large, the Montana Section Executive Committee is proposing to create a new section with full section status. The name of the new section will be the Western Montana Section. As a result, the area within the boundaries of the Montana section shall include the following counties:

|            |          |
|------------|----------|
| Blaine     | Liberty  |
| Broadwater | Madison  |
| Cascade    | Meagher  |
| Choteau    | Park     |
| Gallatin   | Phillips |
| Glacier    | Pondera  |
| Hill       | Toole    |

The Area to be covered by the Western Montana Section would include the following counties:

|                 |            |
|-----------------|------------|
| Beaverhead      | Mineral    |
| Deerlodge       | Missoula   |
| Flathead        | Powell     |
| Granite         | Ravalli    |
| Jefferson       | Sanders    |
| Lake            | Silver Bow |
| Lewis and Clark | Teton      |
| Lincoln         |            |

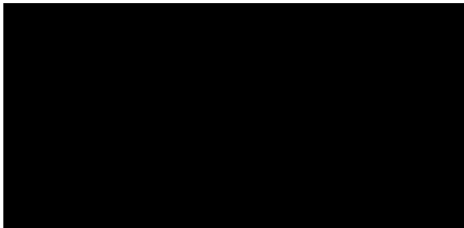

There are no nonconcurring Sections involved in the territory concerned.

The Western Montana Section will abide by the IEEE Constitution, Bylaws and published interpretations of policy, and shall adopt Section Bylaws conforming to IEEE Bylaw 402.

Respectfully submitted,

*Sandra S. Anderson* 2/23/96

Dear Ms. Leeman:

Please accept this petition for the formation of a new Section on behalf of the Northeast Area of Region 6. Because of the large geographical region and differing professional interests, this new Section is splitting from the existing Montana Section. The new Section will be called the Western Montana Section and will be headquartered in Butte, MT. The existing Montana Section will retain its charter in Bozeman, MT.

If you have any questions, please call either myself or Casey Johnston, the Section organizer. Please call me at [REDACTED] or e-mail at [e.weber@ieee.org](mailto:e.weber@ieee.org).

Sincerely,

Edward P. Weber,  
NE Area Chair
