Dear Prof. King,

Establishment of Karachi Subsection

Thank you for your letter of 17th May, 1979.

In respect of your queries, I clarify the position as follows:

With best wishes,

Yours sincerely,

Subject Possible Change in name of West Pakistan Section

At the next RAB meeting, on the assumption that Director Nomura will be present, I think you might take up with him the question of whether the title of West Pakistan is now correct, or should the title be changed just to Pakistan Section. It would be advisable to know the preference of the members of the Pakistan Section in time for issuing the Roster, First Edition, for 1973.

WEST PAKISTAN SECTION

Dear Mr. Fink,

In accordance with the IEEE Section by-laws (Art.VI) a Nominating Committee was appointed on comprising of Meyer Mirkin Senior Member IEEE, Shafiq A Siddiqui Member IEEE & Mohd T.Javid Member IEEE. They unanimously nominated the following officers for this Section as indicated in my earlier communications sent to Miss Emily Sirjane. These nominations were announced to each voting Section member vide my circular dated November 19, 1968; following this a period of more than four weeks was allowed for nominations by petitions. Each member was asked to nominate by petition if he did not agree with any or all of the nominees and reply by December 25, 1968 at the latest.

No nomination petition was received by December 26 instead signed ballot papers voting for the nominations were received from 40 out of a total of 61 active voting members. Thus the following members stand elected as officers of this Section with effect from December 26, 1968. A meeting to finalize and commemorate the elections was held in a local Hotel at which a majority of local members of IEEE attended. A report on the meeting Report Form is also enclosed for further necessary action.
