Prof. Antti V. Raisanen

Dear Prof. Raisanen:

I am sending this letter to correct my memo dated March 21, 1989. In that memo I reported that the Microwave Theory & Techniques Chapter has been established in the Finland Section separate from Antennas & Propagation, when in fact an Antennas & Propagation and Microwave Theory & Techniques Joint Chapter has been approved. The effective establishment date of the Chapter is March 20, 1989.

I hope that this letter clears up any confusion that the previous letter may have caused. We extend our best wishes for the successful operation of this Chapter.

Sincerely,
