USE OF THE MEMBERSHIP LIST

The membership list printed herein is intended solely for use of the members of the American Institute of Electrical Engineers in connection with the activities of the Institute, and not for the use of the public. Its use for circularization or other purposes not directly connected with those activities is not approved. Members are requested to assist the officers in discouraging the use of this list for any unauthorized purposes.

Alphabetical List of Members

(Corrected to August 1, 1961

The Alphabetical List contains the names of members of all grades. The letter and yearly date following immediately after each name indicate the grade to which the member was admitted to the Institute and the year of admission; additional letters and dates signify transfer to a higher grade and the year of such advancement; the last letter, of course, shows the grade the member now holds.

(HM) designates the grade of Honorary Member; (F) Fellow; (M) Member; (AM) Associate Member; (AFFIL)Affiliate.

†Indicates registered professional engineer.

The Geographical List beginning on page 569 gives the names of members in each locality. City headings also indicate the name of the Institute Section within the territory of which it falls; if no Section is mentioned, the city does not lie within Section territory.
