Dear George:

Enclosed are a request for formation of the Providence Subsection of the Boston Section of IRE and 78 signed petitions. The Boston Section Executive Committee voted unanimously at its meeting of September 17 to recommend formation of this subsection. As Vice Chairman of Region I, it is my privilege, in Dr. Willenbrock's absence, to endorse the request. The formation of this subsection was discussed with Dr. Willenbrock prior to his departure, and also with Dr. McFarlan, and has their full support. The subsection organizer is Robert S. Gordon. I hope that the Executive Committee may be able to approve the formation of the Providence Subsection at its October meeting, especially since this action will materially assist in the representation of IRE interests in the IEEE in the Providence area.

Subject: Formation of Providence Sub-section

Dear Gordon:

Since Dean Willenbrock is out of the country at this time,
I have directed this correspondence to you.

Enclosed are 78 petitions from IRE members in the Providence area for the formation of a Providence Sub-section of the Boston Section IRE. The Providence Sub-section would include the territories of the State of Rhode Island and the nearby counties of Bristol, Barnstable, Dukes, and Nantucket in Massachusetts, which is consistent with the corresponding areas of the AIEE. The formation of this sub-section has been approved at a regular meeting of the Executive Committee of the Boston Section IRE.

Since the formation of this sub-section will aid the process of merging into the IEEE, it is recommended that this petition be approved at the earliest possible convenience. If you favor this petition for the formation of the Providence Sub-section, would you secure the necessary approval of the IRE Executive Committee.

Your assistance is greatly appreciated.

Providence Section

March 18, 1920.

Mr. Ralph W. Eaton, Public Service Engineer,
City Hall,
Providence, R. I.

Dear Sir:

I have the honor of notifying you that the Board of Directors of the Institute at its meeting held on March 12, 1920, authorized the organization of a Section at Providence, R. I., to be known as the PROVIDENCE SECTION OF THE AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS.

The procedure to be followed is to issue a call for a preliminary meeting for the election of officers; only the petitioners are entitled to vote at this meeting. The officers to be elected are a Chairman, a Secretary-Treasurer, and an Executive Committee, and such others as the Section may deem desirable. The enclosed copy of suggested by-laws, which have been prepared for the guidance of Sections, may be of assistance to you in getting organized and in framing a set of by-laws for the government of the Section.

We also enclose for your information and guidance copy of a circular letter issued last Fall to the Chairmen and Secretaries of all Institute Sections, containing information relating to the routine work required by the Institute. A supply of the forms referred to in this letter is being mailed to you.

Will you kindly forward the names of your newly elected officers immediately upon their election, so that our records may be complete?

With best wishes for the success of the Providence Section, I am,

Very truly yours,

Secretary.

M.

*Didn't send any more letters per char. as
noting to financing of sections, until
we learn names of Secretary, etc.*
