Subject: New Solid-State Circuits Chapter: Oakland East Bay

Dear IEEE Member -

We are proposing to start a new Solid-State Circuits Society (SSC) chapter in the East Bay area. Currently there are only two SSC chapters: one in Los Angeles, other in San Jose.

There are many IEEE SSCS members that live and work in the East Bay, as well as many that commute over 680, 238 to the Silicon Valley. We think that having a SSC Chapter in the Oakland East Bay may help to bust the activities on this side of the Bay.

Your name (e-mail) was provided by IEEE as someone who is eligible to petition for the Chapter formation in the Oakland East Bay. Can I count on your support? If yes, I would appreciate if you could sign the attached petition and FAX (or e-mail) it to me.

Since I need a signature you can use e-mail only if you can - either digitally sign the document (Adobe Acrobat 4.0 has those capabilities) - or simply sign, scan into Adobe and e-mail it. If none of this works - you can just FAX it or simply mail it using the address provided at the bottom of this e-mail.

I hope I will have your support which I will appreciate very much and I hope we will have an active chapter which you will find of much use for your professional activities.

Regards,

Vojin G. Oklobdzija
