Dear Zak

I understand you are considering the formation of a local IEEE
Acoustics Speech and Signal Processing Group.

As the ASSP transactions includes many significant papers on
image processing as well as signal processing, the activities of the
ASSP Society cover an area which is central to modern technology
and is of rapidly increasing importance to local industry. I believe
that a local ASSP Group could play a significant role in developing
expertise in signal and image processing in both the research and
industrial communities in Australia. Consequently I support your
efforts to form this Group.

Yours sincerely

Dear Don,

We met when you visited Sydney a little while back. I am now writing to you in connection with the formation of an ASSP Chapter within our NSW Section.

There already exists a Communications Chapter within the Section, with myself as chairman. We wish to extend our Chapter into a joint Comm/ASSP Chapter and to that end we are sending you the required petition, which has been approved by our Section Committee, attached to this letter. We would be grateful if you could take the appropriate action for the establishment of this joint Comm/ASSP Chapter.

Please note the following additional information about the signatories:

T.Buczowska is not a member of ASSP, but is a member of Comm. Society.

Dov Rosenfeld has resided within the NSW Section for the last few years, but continues to keep his mailing address in the USA.

D.H.Irving's membership has now been approved.

With best wishes,

Yours sincerely,

R. Zakarevicius

RE: ESTABLISHING A NSW SECTION LIFE MEMBERS CHAPTER.

Dear Daniel,

Attached hereto is a copy of a circular I sent to the 35 Life Members of the IEEE New South Wales Section indicating the name, grade, and member number of the 17 respondents who have submitted the tear-off section supporting the establishment of an IEEE Life Member Chapter as a part of the IEEE NSW Section.

This matter was discussed at our first Section Committee Meeting, held on Monday 7 February 2000, and I have been asked to prepare a petition for the formation of the IEEE NEW SOUTH WALES SECTION LIFE MEMBERS CHAPTER, subject to obtaining the written approval from the Life Members Committee for it to be a strictly NSW Chapter in accordance with our Section Bylaws, which state that "the Section shall provide for the financing of Chapter activities".

If this arrangement is acceptable to the IEEE Life Members Committee, I will proceed with the petition naming myself as the ORGANIZER.

If there is a standard petition form, please mail it to my home address;- 31 Rushall St., Pymble, NSW, Australia, 2073.

Please forward your faxed reply to our Section Chairman, John Robinson, FAX 612 9418 6843.

Yours sincerely,

James J. Vasscleu

4 January 2000.

Dear IEEE Life Member,

I recently received a letter from Dr. Bruce Eisenstein, the Year 2000 IEEE President, that on 1 January 2000 I would become a Life Senior Member.

The present Chairman of our Section, John Robinson attended a Sections Congress 99 Luncheon in Minneapolis sponsored by the IEEE Life Members Committee (USA) and has given me a copy of the presentation.

He has suggested that some of our 35 Life Members might be interested in forming a Life Members Chapter which has a minimum requirement of 6 Life Members to meet twice a year.

You already receive a Life Member newsletter and are aware of the activities of the US Committee and the existing Chapters.
