R30507 Canaveral Section

THE INSTITUTE OF RADIO ENGINEERS (IRE) ESTABLISHED THE CANAVERAL SECTION IN 1952.

THE AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS (AIEE) ESTABLISHED THE CENTRAL FLORIDA SECTION IN 1960.

DURING 1962 WHEN THE TWO MERGED TOGETHER AS IEEE, THEY KEPT THE SECTION NAME AS CANAVERAL.

EXISTING CHAPTERS

Engineering Management Chapter was established November 1, 1967

Computer Chapter was established April 17, 1969

including four days of field work in N. Y. Additional field demonstrations were held in N. Y. This Subcommittee was organized on October 9, 1951 to act as consultant to JTAC in the preparation of a report regarding its request for channel allocations for radio services. It is expected that recommendations will be made in 1953.

A study was organized in February to make a study aimed toward the simplification of technical requirements contained in the Regulations and in their application to Engineering Practice. This study includes four activities, radio broadcast, marine services, and other.

has undertaken, at the request of the Federal Communications Commission, a comprehensive study of the important problem of interference. This problem relates particularly to the presenting difficulties of current radio.

rent concern to the Commission. Certain aspects of the problem have been assigned by JTAC to IRE and RTMA.

National Television System Committee

The Institute continued to provide assistance for the work of the National Television System Committee. 75 meetings of the NTSC were held at Institute headquarters in 1952.

Section Activities

We were glad to welcome five new Sections into the Institute during the past year. They are as follows:

Binghamton (March, 1952)
Central Florida (September, 1952)
El Paso (September, 1952)
Hamilton (May, 1952)
Little Rock (March, 1952)

The total number of Sections is now 65. There has been a membership increase in 51 of the 65 Sections.

The Binghamton and Hamilton Subsections became full Sections, and the Urbana Subsection was dissolved in the year 1952. The Subsections of Sections now total 15, the following being formed in 1952:

Charleston (Atlanta Section) February, 1952
Huntsville (Atlanta Section) July, 1952
Orange Belt (Los Angeles Section) November, 1952
Wichita (Kansas City Section) May, 1952

Student Branches

The number of Student Branches formed during 1952 was 5, all of which operate as Joint IRE-AIEE Branches. The total number of Student Branches is now 114, 76 of which operate as Joint IRE-AIEE Branches.

Following is a list of the Student Branches formed during the year: Brown University, University of New Hampshire, North Dakota Agricultural College, Ohio University, and West Virginia University.

Mr. F.J. Moreno

Dear Mr. Moreno:

We are pleased to announce that all concerned approved the reactivation of the Reliability Society joint chapter in the Canaveral/Daytona Sections on September 30, 1982.

At this time we are recording you as the Interim Chairman. When an election has been held, please use the enclosed Chapter Officers form (L7) to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this new reactivated Chapter.

Sincerely,

A handwritten signature in cursive script that reads "Don Suppers".

Mr. F.J. Moreno

Dear Mr. Moreno:

Thank you for your letter of September 15 regarding the desire to reactivate the local chapter of the Reliability Society. I am writing to the President of the Reliability Society and the Region 3 Director to request their approval and primarily to let them know of the reactivation.

By the way according to our records when the Chapter was established it was established as a joint Reliability Chapter between the Canaveral and the Daytona Section. According to recent records, there are too few Reliability Society members left in the Daytona Section for possible assistance with the reactivation.

Thank you for the interest in the growth of the Section and Society. We will advise you as soon as the approvals are received and please go ahead with the chapters activities.

Sincerely,

Mark M. Lucas

Charles H. Chapman

Dear Mr. Chapman:

On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the change in status of the Computer Society Chapter of the Canaveral Section has been approved. The Chapter will now be the Aerospace and Electronic Systems/Computer Society joint Chapter. The effective date of this Chapter change is 16 January, 2002.

At this time we are recording you as the Chapter Chair. When an election has been held, please use the enclosed Officer Confirmation form to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

Cecelia Jankowski

Mr. James W. Cofer, Jr.

Dear Mr. Cofer:

We are pleased to advise that all concerned approved the establishment of the Antennas & Propagation/Microwave Theory & Techniques Joint Chapter of the Canaveral Section on October 31, 1979.

We are recording you as the Interim Chairman until an election has been held and the Chapter officers reported to IEEE. If we can assist in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this new Joint Chapter.

Sincerely,
