CALENDAR OF EVENTS

For reservations call the IEEE office 649-2800
(unless otherwise indicated)

Copy Deadline for October Scanfax is August 28, 1990

Sept. 11 Tuesday	Chicago Section	Executive Committee	Contemporary Controls 2500 Wisconsin Downers Grove, IL	Meeting: 7:15 PM
Sept. 18 Tuesday	Chicago Section	All Chicago Area Meeting Future of Electric Cars	Wilton Manor Schmale Rd. Wheaton, IL	Social: 6:00 PM Dinner: 7:00 PM Meeting: 8:00 PM
Sept. 26 Wednesday	EMC Society	Mandatory Immunity Testing of Electronics Equipment for European Community in 1992	AT&T Bell Labs 2000 N. Naperville Rd. Naperville, IL	Meeting: 7:30 PM
Oct. 18 Thursday	Reliability Society	Asset Allocation Models Position your Portfolio for the 1990's	Midway Motor Lodge 1600 E. Oakton Elk Grove, IL	Social: 6:00 PM Dinner: 7:00 PM Meeting: follows

COMBINED SECTION MEETING ALL CHICAGO AREA SUBSECTIONS AND SOCIETIES

1990-91 Kick-Off Meeting

September 18, 1990

FUTURE OF ELECTRIC CARS AND THEIR DESIGN AND CONSTRUCTION

Guest Speakers: William Shafer & Robert McKee

Robert McKee and William Shafer will cover the design and construction of experimental electric cars and the reasons why electric cars will play an important role in meeting future personal transportation needs.

Place:

Wilton Manor
2200 N. Main Street
(Main Street at Geneva Road)
Wheaton, Illinois

Agenda:

Social Hour: 6:00 PM Cash Bar
Dinner: 7:00 PM \$12.50*
Meeting: 8:00 PM No charge - All welcome

*\$11.50 if reservation is made on or before
Friday, September 14, 1990.

Reservations: Call (312) 649-2800 IEEE Message Center

Note to chairmen of societies and subsections: If you attend this meeting your group will be eligible for credit for a meeting.

'EASIER TO TRAIN.'

Many employers will tell you that's why they hire DeVry graduates in Electronics. Our Bachelor's Degree graduates and Technicians become productive quickly because they have...

- Learned how to adapt to change, in programs that integrate computers, communications and control systems.
- Developed strong problem-solving skills with our integrated hardware/software approach.

Find out why so many employers call DeVry first for graduates in Electronics — and in Computer Information Systems. We can also handle interview details for you, at no charge.

IEEE MEETING NOTICE

CHICAGO CHAPTER - IEEE EMC SOCIETY

WED ~~TUESDAY~~ - SEPTEMBER 26, 1990 7:30 P.M.

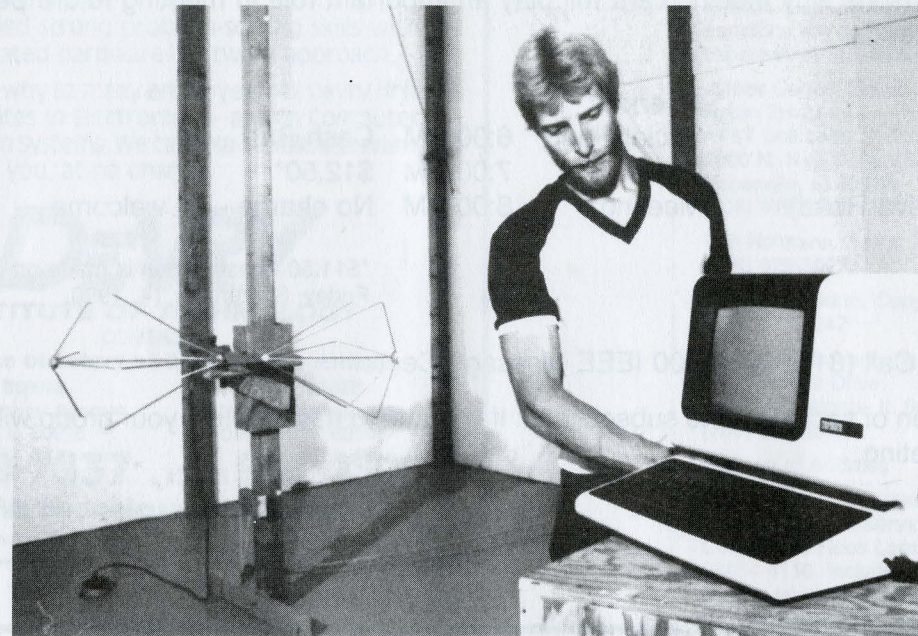

AT&T BELL LABORATORIES - NAPERVILLE

SPEAKER - MICHAEL HOPKINS - KEYTEK INSTRUMENTS

TOPIC - MANDATORY IMMUNITY TESTING FOR ALL CONSUMER, COMMERCIAL AND LIGHT PRODUCTS SOLD IN THE EUROPEAN COMMUNITY IN 1992

RESERVATION - CALL IEEE OFFICE 708-649-2800

D.L.S. GUARANTEES your product* will pass VDE, FCC and Military testing when it passes at D.L.S.

We stake our national reputation on it!

D.L.S. can make this guarantee based on a near perfect record of tests passing at the regulating agencies. We are so sure your product will pass the FCC, VDE and Military after it passes at D.L.S., that we will retest your product free of charge, if it should fail its audit. We feel this confident because we constantly update our test procedures to make sure they are exactly the same as those currently being used by the regulating agencies. We contact the FCC, VDE and Military when necessary, to reconfirm which tests are needed, and specifically how they should be set up to insure your product's approval.

When you bring your equipment to D.L.S. you can be assured that you are receiving the proper test...that it

is set up according to specified test procedures and that the results are valid and repeatable.

You deserve the assurance of knowing that when the regulating agency audits your product, it will pass...

When your product passes at D.L.S. you know it will pass its audit on the first visit to the regulating agency. As a result, you will be spared the wasted time of making changes, implementing costly fixes, re-testing and re-submitting, all under the time pressures of due dates. Think about your savings in dollars and time when you bring your product to D.L.S.

*Your product exactly as tested by D.L.S. with no changes made after testing

Message From the Editor

The September SCANFAX brings a new year of professional meetings for the IEEE members of the Chicago Section and a new SCANFAX editor. This year's SCANFAX publications will continue to follow the format and excellence that have been the hallmark of my predecessor, Bob Hofmann. I extend my warmest appreciation to Bob for his leadership as the SCANFAX editor for the last 5 years; also, on behalf of the entire IEEE Chicago Section membership, we wish Bob well in his new responsibilities with the IEEE EMC society.

With regards to SCANFAX meeting notices, please have your submissions to me by the published deadlines in both a half page and a full page format and in a clear, legible, and final form. As an associate editor in prior years, I am aware of an occasional meeting notice that has arrived late, incomplete or not in both formats. Your cooperation in the submission of meeting notices is essential to getting SCANFAX available to the Chicago Section membership in a timely way.

At the July executive committee meeting, SCANFAX, its format, its timely delivery to the membership, as well as its production and delivery costs were discussed. As a result of the spirited debate that ensued, a committee was formed to consider these issues. This committee's recommendations addressing improvements to SCANFAX and/or reductions, if possible, in the attendant production and delivery costs, will be provided to the executive committee for their consideration. To better serve all the IEEE members in the Chicago Section, your views on these SCANFAX issues is a vital ingredient to their satisfactory resolution. Please forward your constructive suggestions to me.

This year's Chicago Section organization directory will be published in the October SCANFAX. On the matter of the June SCANFAX salary survey, more than 150 completed salary survey forms have been received as of July 10. Additional forms are expected in the next few weeks. The results will be published later in a fall SCANFAX.

JIM CARROLL, EDITOR

IEEE RELIABILITY SOCIETY CHICAGO CHAPTER

- | | |
|--------------------|--|
| SPEAKER: | Mr Keith Vander Veen
Senior Financial Consultant & Assistant Vice President
Merrill Lynch
Naperville, IL. |
| TOPIC: | Asset Allocation Models - How to position your portfolio for the 1990's. |
| ABSTRACT: | The professional engineer, like his counterpart elsewhere needs to be conversant with the latest tools and methods to ensure investment with safety, with growth at minimum exposure to risk. This talk will walk you through ways of achieving your financial goals. It is targeted at professionals in various stages of their career. |
| BACKGROUND: | Mr Vande Veen has broad experience in managing money for professional people, individuals, business owners and people planning for retirement. |
| PLACE: | Midway Motor Lodge on Rte 83 by Oakton Blvd
Elk Grove Illinois |
| DATE: | October 18, 1990 |
| TIME: | 6:00 pm Social Hour. 7:00 pm Dinner. Ala Carte
Reservation, open through 10/11/90, may be made by calling the IEEE Chicago Message Center at 312-649-2800. Please leave your name(s) if you plan to attend, also state that you are making a reservation to attend the IEEE Reliability meeting of 10/18/1990. For additional information, contact Mike Ero, Program Chairman, at 708-979-1890. |

Quality Technology Company offers the following Engineering and Quality courses:

<u>Course Description</u>	<u>Course #</u>	<u>Dates</u>	<u>Fee</u>
1. Robotics in Manufacturing	RM4011IL	Nov. 29-30, 90	\$395
2. Malcolm Baldrige Award Preparation	MB2011IL	Oct. 19, 90 Nov. 27, 90	\$225* \$225
3. Software Quality Assurance	SQ3011IL	Oct. 25-26, 90	\$245
4. Reliability Engineering	SR5011IL	Nov. 8-9, 90	\$245
5. Process Quality Improvement	PQ1011IL	Oct. 22-23, 90	\$245

Course fee includes course material and meals during the class. A 10 % multiple registration discount is available. Classes are scheduled from 8:00 am to 5:00 pm.

*** Includes Application Report Software**

For more information please call **(708) 231-3142**, ask for Praveen Gupta.
